Re: January 9, 2017 Public Records Act Request

Dear Ms. Channell:

This correspondence follows the Pleasanton Unified School District's ("District") January 19, 2017 response to your January 9, 2017 request for public records under the California Public Records Act ("CPRA"; Gov't Code § 6250 *et seq.*).

Please find enclosed public records responsive to your requests regarding Rick Rubino. The District withheld records and/or information exempt from production under the CPRA. Specifically, the District withheld records under Government Code sections 6254(k) (attorney-client privilege and/or attorney work product), 6255 (deliberative process privilege; *see e.g., American Civil Liberties Union of Northern Cal. v. Superior Court (2011) 202 Cal.App.4<sup>th</sup> 55*), and redacted information, the disclosure of which may constitute an unwarranted invasion of personal privacy and employee privacy. (*See e.g., Gov't Code §§ 6254 (c) and 6255; see also, Cal. Const. Art. 1, §§ 1 and 3; BRV, Inc. v. Superior Ct. (2006) 143 Cal. App. 4<sup>th</sup> 742 [public agency may redact the "names; home addresses; phone numbers; and job titles . . . of any of the students, parents, staff members, or faculty members interviewed or mentioned . . ."]*.)

The District now considers your requests complete. Please note, if the District inadvertently produces any privileged document(s) that are encompassed by any exemption under the CPRA or any state or federal law, such production is not intended to be a waiver of any privilege or any right to withhold such document or documents. (*See, e.g., Gov't Code §§ 6254, 6255; see also, Ardon v. City of Los Angeles (2016) 62 Cal.4th 1176.*) The District reserves the right to amend and/or supplement this response upon discovery of additional responsive documents. The District will notify you should it need to amend its response.

Sincerely,

Micaela Ochoa  
Interim Superintendent  
Pleasanton Unified School District
