Discover Exciting Opportunities at Las Positas College 2025 CTE Summer Camps

Las Positas College is thrilled to announce the return of its highly anticipated educational summer camps for middle school and high school students. The eight Career Technical Education Summer Camps cover a diverse range of subjects and are both an excellent way for students to gain hands-on experience in a field that they are interested in and a taste of college life.

Designed for students between the ages of 14 and 18, the LPC's CTE summer camps provide a unique opportunity to delve into various areas of interest, including automotive tech, animation, public safety, journalism, art and music, and interior design. Whether students are interested in developing hands-on mechanical skills or ways to stretch their creative muscles, there's a camp or two tailored to their interests and aspirations.

One of the standout features of the summer camps is the chance for students to collaborate closely with knowledgeable instructors who are experts in their respective fields. These dedicated professionals are committed to nurturing students' talents, providing guidance, and inspiring them to explore new horizons.

Beyond academic enrichment, the summer camps also offer a supportive and inclusive environment where students can connect with like-minded peers. Building friendships, sharing ideas, and collaborating on projects are integral aspects of the camp experience, fostering social development and teamwork skills.

Additionally, participating in Las Positas College summer camps provides students with a glimpse into college life. They'll have the opportunity to explore the college campus, utilize state-of-the-art facilities and resources, and engage with college students and faculty. This immersive experience not only prepares students for higher education but also instills confidence and independence as they navigate their academic journey.

Parents can have peace of mind knowing that Las Positas College prioritizes the safety and well-being of all camp participants. Stringent safety protocols are in place to ensure a secure environment where students can thrive and focus on learning.

Las Positas College summer camps offer a dynamic and enriching experience for middle school and high school students. From hands-on learning activities to meaningful interactions with peers and instructors, these camps inspire curiosity, foster creativity, and ignite a passion for lifelong learning.

We invite parents and students alike to explore the diverse range of summer camps available and discover the endless possibilities that await. Below is a list of the LPC CTE summer camps and their respective dates:

Summer
Camps

Career Technical Education Summer Camps are an excellent way for students to gain hands-on experience in a field that they are interested in, to get a taste of college life, and to expand their horizons. All camps are **only \$150**, unless otherwise stated.

Automotive Technology Camp

Session 1: June 30-July 2 | 8:00 am to 12:00 pm

Session 2: July 7-9 | 8:00 am to 12:00 pm

Age Group: High School

Have you ever wanted to know more about your car but do not have time to take an 18-week course? This camp is for you. Learn how to change your own oil and filter, read the digital code on tires, and gain general knowledge about cars. Learning through experience in our state of the art facility, wear clothes that may get dirty!

3D Modeling Camp

July 7-10 | 9:00 am to 2:00 pm

Age Group: High School

Want to learn how to make games and motion pictures? Learn basic 3D modeling techniques and animation using Autodesk Maya and Adobe Photoshop Tools.

Creature Design Workshop

High School | June 9-12 | 9:00 am to 2:00 pm

Middle School | June 23-26 | 9:00 am to 2:00 pm

Learn the fundamentals of creature design. Many professional illustrators focus on creature design; they create works for movies, games, and animation. In this camp, we will use Adobe Photoshop to sketch and paint creatures, taking into consideration their anatomy, environment, and behavior.

Animation Camp

June 30-July 3 | 9:00 am to 2:00 pm

Age Group: High School

Explore 2D animation, from ideation into asset creation through to animation. Working with industry standard software, we will dabble in some Photoshop before moving into Toonboom Harmony for crafting our animated shorts, where you will have the opportunity to put their creativity to the test!

Creativity Comes to Life at Bothwell Arts Center's Art Camps

At the Bothwell Arts Center, art camp is more than just a place to create—it's a space where young artists explore, experiment, and express themselves in exciting new ways. Designed for children who love to engage their imaginations, the camps offer a hands-on, immersive experience in a variety of artistic mediums. From painting and sculpture to mixed media and beyond, each day presents a fresh opportunity for campers to bring their ideas to life.

The camps foster a supportive and inspiring environment where creativity thrives. Whether a child is a budding artist or simply enjoys trying new things, they will find encouragement and guidance from experienced instructors. More than just learning techniques, campers develop confidence in their unique artistic voice and discover new ways to think creatively.

Parents consistently praise the program for its engaging approach and the joy it brings to their children. "My daughter has had the pleasure of attending several weeks of art camp at Bothwell over the past couple of years during school breaks. She has truly enjoyed the experience and gained a lot from it," shared one parent. Others frequently note how eager their children are to arrive each morning and how much they love sharing their artwork at the end of the day.

The Bothwell Arts Center's art camps are a place where creativity knows no bounds. It's an opportunity for children to explore their artistic potential, make new friends, and leave each day with a sense of accomplishment. Whether it's a single session or multiple weeks, each experience is a journey into the limitless world of imagination and self-expression.
