CTE SUMMER CAMPS

SUMMER 2026

Career Technical Education Summer Camps are an excellent way for students to gain hands-on experience in a field that they are interested in, to get a taste of college life, and to expand their horizons. All camps are **only \$150**, unless otherwise stated.

Basic Car Inspection/Maintenance for Teen Drivers

Session 1: June 9-June 26 | 8:00 am to 12:00 pm | Fridays
Session 2: July 10-July 17 | 8:00 am to 12:00 pm | Fridays
Age Group: High School or Recent Graduate. Parents Welcome!

Have you ever wanted to know more about your car but do not have time to take an 18-week course? This camp is for you. Learn how to change your own oil and filter, read the digital code on tires, and gain general knowledge about cars. Learning through experience in our state of the art facility, wear clothes that may get dirty!

3D Modeling Camp

June 8-11 | 9:00 am to 2:00 pm
Age Group: Middle School

Experience some of the basics of 3D workflows exploring hard surface modeling, digital sculpture, and animation. In this camp, students will use Autodesk Maya to learn about the core concepts of 3D modeling, how to create props and environments, and how a 3D animation rig works.

Character Design Camp

June 15-18 | 9:00 am to 2:00 pm
Age Group: Middle School

Have you ever wanted to create your own character and bring it to life? Designing a captivating character is vital for graphic novels, movies, video games, and many other industries. We will draw and paint our own character in Photoshop, taking style, costuming and props into consideration, as well as expressions and gestures.

Discover Exciting Opportunities at Las Positas College 2026 CTE Summer Camps

Las Positas College is thrilled to announce the return of its highly anticipated educational summer camps for middle school and high school students. The eight Career Technical Education Summer Camps cover a diverse range of subjects and are both an excellent way for students to gain hands-on experience in a field that they are interested in and a taste of college life.

Designed for students between the ages of 14 and 18, the LPC's CTE summer camps provide a unique opportunity to delve into various areas of interest, including automotive tech, animation, public safety, journalism, art and music, and interior design. Whether students are interested in developing hands-on mechanical skills or ways to stretch their creative muscles, there's a camp or two tailored to their interests and aspirations.

One of the standout features of the summer camps is the chance for students to collaborate closely with knowledgeable instructors who are experts in their respective fields. These dedicated professionals are committed to nurturing students' talents, providing guidance, and inspiring them to explore new horizons.

Beyond academic enrichment, the summer camps also offer a supportive and inclusive environment where students can connect with like-minded peers. Building friendships, sharing ideas, and collaborating on projects are integral aspects of the camp experience, fostering social development and teamwork skills.

Additionally, participating in Las Positas College summer camps provides students with a glimpse into college life. They'll have the opportunity to explore the college campus, utilize state-of-the-art facilities and resources, and engage with college students and faculty. This immersive experience not only prepares students for higher education but also instills confidence and independence as they navigate their academic journey.

Parents can have peace of mind knowing that Las Positas College prioritizes the safety and well-being of all camp participants. Stringent safety protocols are in place to ensure a secure environment where students can thrive and focus on learning.

Las Positas College summer camps offer a dynamic and enriching experience for middle school and high school students. From hands-on learning activities to meaningful interactions with peers and instructors, these camps inspire curiosity, foster creativity, and ignite a passion for lifelong learning.

We invite parents and students alike to explore the diverse range of summer camps available and discover the endless possibilities that await. Below is a list of the LPC CTE summer camps and their respective dates:
